

CSI Works for "Sell by Weight" Capability Statement:

CSI Works has identified, developed, & grew the "Sell by Weight" vertical of merchants by deliberately releasing an arsenal of solutions in this area. We have published over eight app solutions; We have enabled several dozen scales models to be compatible with Clover family of products. We have introduced remote onboarding services for those merchants who bought equipment elsewhere. CSI Works developed a knowledgebase & expertise & reputation of place of answers* for anything scale.

*If called Clover support Re: SW-RS issue 3 out of 5 calls will be forwarded to CSI Works.
