

## How to Position Clover POS with EBT/SNAP Payment Type

### Increasing Potential Income

More visitors = more income. EBT/SNAP visitors make up a significant proportion of the population. In 2020, there were over 40 million EBT/SNAP members in the United States. This means that if your store accepts EBT/SNAP payments, you have access to a large market of potential customers.

### Compliance with EBT payment rules

It is important for merchants to follow the EBT payment rules to avoid possible penalties and compliance issues. Using software from CSI Works, such as Inventory++, helps merchants solve this first problem and enforce EBT payment rules.

### Benefits of EBT/SNAP Double UP Food Bucks

EBT/SNAP Double Up Food Bucks is a program that can increase store traffic and revenue. Research shows that stores that participate in the EBT/SNAP Double Up Food Bucks program see a 10-20% increase in traffic and revenue..

## Software from CSI Works helps EBT-SNAP Double Up Food Bucks programs run more efficiently and effectively.

Inventory++

### Customer retention and long-term relationships

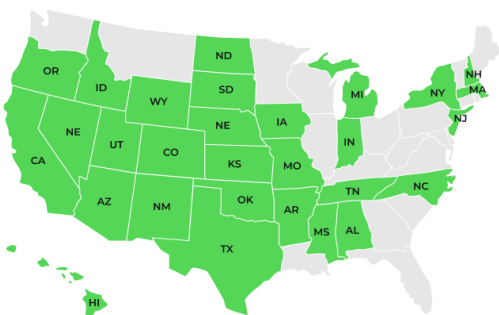

Merchants who accept EBT have more opportunities to grow and grow their business. Providing EBT solutions, such as those provided by CSI Works, helps agents retain customers longer and maintain long-term relationships with merchants.

### Simplify your work with POS systems, including Clover

CSI Works is an experienced partner that provides solutions that make it easy to integrate and use Clover POS. This allows agents to effectively support their customers with the EBT program and provide them with reliable support and service.
